Members absent: Sara Bishop, Lauren Gallagher, Art Sevilla Jr., Jack Thibeau

IV. Approval of Minutes from April 7, 2008

Tyler made a motion to approve the minutes from the April 7th meeting. Sean W. seconds.

There was no discussion.

V. Public Comment

Members of the public are entitled under the Brown Act (Government Code §54950 et seq) to address the Youth Action Council on any matter that is pertinent to the Council's business. The public may also address YAC regarding a particular agenda item at the time that item is discussed by the Council. YAC has allocated 30 minutes total for Public Comment and each speaker is allocated up to three (3) minutes to speak. Comments must be limited to matters within the jurisdiction of YAC. The Act prohibits the Council from taking action or discussing the item unless the matter is already on the agenda. YAC may refer the subject matter to the appropriate person/organization for follow-up and/or schedule the matter on a subsequent agenda.

Thank you, Pat! Kim was so kind to reward and express appreciation to Pat for all her generous time given to YAC. Since the group had nominated Chris, Pat did not receive anything at the asset luncheon. In honor of the numerous hours contributed, Pat was given some gorgeous flowers.

VI. Action: Approval of letter supporting the efforts of Students Against Genocide

Each member reviewed a letter at the back of the packet. Some one was so kind to write a well-put letter of support, which is to be sent by Callie. Rianna made a motion to approve the letter supporting the efforts of Students against Genocide. Tyler seconds.

There was no discussion.

VII. Discussion: Proposal for a new YAC format

Due to a meeting between Callie and Kim, both were more than happy to lead this portion of the meeting. Callie proudly announced her music scene fulfilling outreaching duties to the community, noting all projects must expand to the community. Since the music has been successful, the main focus of the council should be placed on youth projects; this brought about the question of Relay for Life and its purpose for the members. Furthermore, Callie finds interest in a name change, due to her personal opinion suggests Youth Action Council to seem a little intimidating. Moreover, she thinks meetings should take place with one general meeting approximately 7pm on the first Monday, followed by a separate project meeting. With this, YAC should have ten people, two people per group.

Meanwhile, Kim emphasized the webpage to act as a “clearing house”. Students with genocide can even find a presence with such a significant resource. Considering finite resources, funding for projects should be kept in mind by all members. Also, the website can be maintained offsite by a worker within the city. At this, Nick read over a created list of ideas. Finally, Kim also noted Peter will be coming at 5PM next time, moving the meeting time a little bit.

VIII. Discussion: By-Laws concerning Membership

After viewing the email supplied by Kim, Shane mentioned the desire to excuse certain absences. Perhaps, they can be made up in another form if legitimate. Meanwhile, Callie would like to extend such rules to every member, no matter the position. The members are to review the material a little more.

IX. Action: Approval of revised YAC Application

Kim was generous enough to make some extra copies for the group’s review. Everyone seemed very keen to the idea of keeping what was shown. One suggestion consisted of a new cover sheet. Thus, Nick approved the revised YAC application with an alternative cover sheet and dates. Tyler seconds.

There was no discussion.

X. Discussion: Planning of Retreat
